Valterra to Amend Warrant Terms

Valterra Resource Corporation ("Valterra" and "the Company") reports that the Company will apply to the TSX Venture Exchange (the "Exchange") for approval to amend the terms and reprice the following three series of warrants issued in connection with three separate private placements to \$0.125; warrants issued on October 5, 2016 at \$1.00 with expiry date October 5, 2021; warrants issued on December 29, 2016 at \$1.00 with expiry date December 29, 2021; and warrants issued on August 1, 2019 and September 18, 2019 at \$0.50 with expiry dates August 1, 2023 and September 18, 2023, respectively. The original expiry dates will remain, subject to the accelerated exercise period provision as set out below.

In order to reduce the exercise price of the warrants, the Exchange requires the inclusion of an accelerated exercise period provision in the amended warrants. The accelerated exercise period provision will provide that, if the closing price of our shares is \$0.165 or higher for 10 consecutive trading days (the "Premium Trading Days"), warrant holders will have 30 calendar days, commencing 7 calendar days after the last Premium Trading Day, to exercise the warrants. The proposed amendments to the warrants are subject to acceptance for filing by the Exchange.
